Dear Alessandro,

We would like to thank you for your support of Australia's presence at the 2016 Venice International Architecture Biennale. It is only with the generosity of the industry and individuals that we can participate in this significant event.

Our congratulations and thanks are extended to The Pool creative team, Aileen Sage and Michelle Tabet for conceiving what was an outstanding and exciting exhibition in Venice. With the opening of Australia's new pavilion in Venice, the spotlight was firmly on Australia. We hope you enjoyed the Vernissage opening of the Venice Architecture Biennale and the celebrations poolside.

The Institute highly values your support and it was a pleasure working with you on this spectacular event. I am sure you'll agree that our representation interested, provoked and excited the international audience.

Once again, thank you for your generous support.

Yours Sincerely,

Mrs Janet Holmes à Court AC
