5<sup>th</sup> January 2015

**RE: Myrtha Pools – Official FINA Pool Partner**

**FINA** (*Fédération Internationale de Natation*) is recognised as the sole worldwide governing body for the Aquatic Sports of Swimming, Diving, High Diving, Synchronized Swimming, Water Polo and Open Water Swimming by the International Olympic Committee.

FINA is pleased to confirm the appointment of **Myrtha Pools**, one of the world's leading companies in the design, manufacture and installation of competition pools, as the exclusive FINA Official Pool Partner.

The choice of Myrtha Pools as FINA's Official Partner is based on the great experience the company has demonstrated not only for FINA since 2009, but also with hundreds of world-class facilities built worldwide and on the unique characteristics of the *Myrtha Pools* technology, that uses maintenance-free stainless steel panels and guarantees extreme construction precision. This aspect is particularly important for FINA, which demands great attention to the dimensional tolerances of the facilities used for FINA's competitions. For these reasons, FINA has appointed *Myrtha Pools* as its exclusive Official Pool Partner and Supplier worldwide.

FINA absolutely recommends the use of panel pool technology over and above the outdated concrete construction method for the reason that panel pools are superior in terms of their tolerances and compliance with FINA Rules and, they offer the most cost-effective long-term usage. FINA counts on the quality and excellence of the panel pools installed by *Myrtha Pools* for FINA's biggest event, the FINA World Championships.

*Myrtha Pools* has a worldwide reputation for the quality of its pool products and pool installations and is a global leader in this industry. Besides the temporary pool installations for many previous FINA, Olympic and other major aquatics events, *Myrtha Pools* have successfully installed its panel pools permanently in numerous major aquatics facilities around the world, including swimming and diving pools for international competitions, as well as recreational pools in leisure centers and water parks.

For all of these reasons, FINA has no hesitation in recommending the panel pool technology of our Official Pool Partner, *Myrtha Pools*.

Should you require any further information, then please do not hesitate to contact the FINA Office.

With kind regards,

**Cornel Marculescu**  
FINA Executive Director
